

Localization Quality Assurance (LQA)

Localsoft, S.L. is hiring native Traditional Chinese video game testers for an onsite Triple-A game testing project which will take place in Malaga.

Testers must have excellent orthography in their native language and a high level of written English as well as a valid working visa for Spain.

Please contact Belinda Warr for further information at +34 952 028 080 or send your CV to belinda@localsoft.net
