- Attending meetings and acting as a translator for our Korean client.
- Content creation and translation for a Korean audience.
- Acting as a mediator between Korea and Spain.
- Bringing beWanted closer to the Korean culture enabling the team to execute Korean projects successfully.

Candidato

Descripción del Candidato

We are looking for a native Korean speaker, with a deep understanding of the Korean culture. Who is able to be credible and sensitive toward local norms, since the project will be executed in Korea.

The main requirements are:

- Native Korean (MUST)
- High level of English since great part of the project will be executed in this language. (MUST)
- Having some Spanish notions will be appreciated.
- Marketing, Communication, Business, HR or any related studies, will also be valued. (Not exclusive)

Contract conditions will be adjustable depending on your profile.

If you are looking to work with an AMAZING team in a fast paced environment where you will develop your skills participating in international projects..

THIS IS YOUR PLACE TO BE!!

Killer questions

- 1 Have you ever lived in Korea? For how long?
- 2 Do you have availability to work full time? and part time?
- 3 What motivates you about this offer?
